

AGNEWS DEVELOPMENTAL CENTER

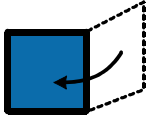

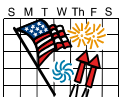

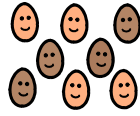

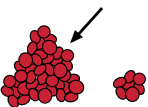

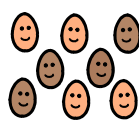

The 2003-04 Governor's

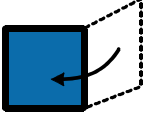

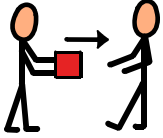

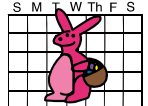

Budget  told  the
Department of Developmental
Services **DDS** to make  a
plan  to close  Agnews
by July  2005.

The Department **DDS** has
decided not ✕ to close 
Agnews  until July  **2006.**

The Department **DDS** has
decided that closing  Agnews
before **July**  **2006** would not
✕ be good  for the people 
at Agnews  because there
needs  to be  more
 and different   kinds of
homes  for the people 

who  want  to move  
to the community  .

The Department *DDS* still has to
make  a plan  to close 
Agnews  and give  that
plan  to the Legislature  by
April  1, 2005.
